I was shocked to hear of Mike's death. I last saw Mike about twenty-five years ago, and he was laughing like he did when we were kids at Limeton Elementary. Those memories of him remain strong, and I count them as a blessing.

Sorry to hear of the loss of Mike. Went to school together and he was always smiling and a very happy go lucky guy. My thoughts and prayers go out to all of the family but especially to Robert. Just remember all the good times and memories that you and your father and mother shared and even though they are both gone- those things that they taught you will help guide you through life. Mike always enjoyed life and he loved his turkey farm. Sherry & Kenny Sours
